

Export Documentation and Classification Workshop

Classifying your exports is your responsibility

Perhaps you have left this part of your supply chain up to your transportation provider. Perhaps you just need a refresher on how to classify the ECCN and/or Schedule B numbers, along with what documentation is required to export from the USA.

Please join us as we discuss the following topics and practice using the regulations in:

- ECCN (Export Control Classification Number) Classification
- Schedule B Classification
- Export Documentation Requirements

Guest Speakers: Zeid Houssami and Brandi Altamirano

Zeid Houssami, is the Export Manager responsible for Northern California and Nevada territories for Expeditors International. Zeid is IATA/FIATA certified and an expert in Export Compliance. Zeid has been at the forefront of implementing the screening requirements for Expeditors.

Brandi Altamirano is the Service Center Manager for Northern California and Nevada territories for Expeditors International. Brandi is IATA/FIATA certified and an Export Compliance Officer. Brandi has extensive experience in working with the Export Administration Regulations which include working with US Customs, Department of Defense and the Bureau of Industry and Security.
